

GOOD NEIGHBOURS DRAMA GROUP

Is going to "SKIT" their audience with the foibles of life. Take a look at Opal's salute to volunteers....Be challenged with the frustrations of bureaucracy....Be baffled with the mystery of tailgating lights.....Have your funny bone tickled by the antics of a swashbuckling basketball team during their halftime break....

Come & giggle, snarl, boo and just enjoy!

Thursday, April 24, 2008
